Children leaving in different directions can lead to tired followers being misled away from the group. Please do not arrive early and block the drive. You must go into the parking garage if you arrive early and will have to pay for parking.
- **When LEAVING CCM**, you may exit 2 ways. 1. Corry Dr, the way you came in – or 2. down the drive between Dieterle and Emery Halls. Stay to the left all the way around the building and you will exit campus on Calhoun Street going West.
