Each participant must be able to handle/manage his/her own bag(s) to and from motor coach and hotel. We discourage everyone from bringing valuables on this trip. All participants are responsible for their personal belongings AT ALL TIMES. Carry across-the-body or another type of secured purse/bag if bringing one.

**Tipping** - Your tour price includes all tips, taxes, and service charges for the hotel, motor coach drivers, Saturday & Sunday dinners, and post-concert cruise.

When paying for meals on your own, travelers should determine if a tip is appropriate. 15% - 20% is a reasonable amount for the tip depending on the quality of service.

**Weather** – The average temperature in New York City in June is 64 F low to 80 F high. Transportation to and from the hotel to Carnegie Hall is not provided. For on-foot outings in early mornings and evenings, a light coat (hooded, rain-resistant) or sweater is highly suggested.

**Time Zone** – New York City is on Eastern Daylight Time

**Breakfast, Lunch, and Supper Money** – Not all Breakfasts, lunches, suppers, and snacks are NOT included in the cost of the tour. We have been advised on the following costs of lunch and dinner scenarios:

- \$7-10 for continental or fast-food breakfast x 3 = \$30
- \$8-10 for fast-food restaurants x 4 or 5 = \$40
- \$20-25 in a restaurant with salad, pizza + soft drink x 2 = \$40
- \$30+ for more formidable meals x 1 = \$30
- Total budget - \$110 - \$120 – Credit, debit or pre-paid credit cards are encouraged.

Chaperones will determine meal locations and assist singers in figuring their food bills, including tips, if needed. You are encouraged to send snacks that can be shared on the motor coach. Bottled water will be available on the motor coach.

**Spending Money** – Spending money for shopping and souvenirs is at your discretion. No staff member or chaperone is authorized to provide a child with any additional funds.

### **Staying In Touch:**

- Telephone Policy – Cell phone use is not permitted on the trip except for emergency purposes. The choir reserves the right to confiscate cell phones during the trip. Absolutely no cell phones are permitted to be opened by choir members during rehearsals, concert, and certain group activities. Cell phone calls should be restricted to hotel rooms (evening) for status calls with family members. Daytime phone calls require chaperone approval. Parents must not call or text to share troubling news with their singers. In an emergency, please call Rachel Breeden's Cell Phone – 513-556-0338 so that the staff may help facilitate these situations. If someone is calling or texting a singer and upsetting them, the staff will confiscate the phone to protect them from the harassment. This policy may be subjectively enforced to meet the overall safety needs of the individuals and group needs of the choir.
- Email – **Singers may NOT bring laptops.** Kindle/iPads/iPods/MP3 devices are acceptable. The CYC Staff will post updates on our social media pages on Instagram and Facebook as we are able and will send out any urgent emails directly to you.

### **General Guidelines:**

If any of the following guidelines are not followed, your child will be sent home immediately and at your expense. It is up to the CYC Staff to make this decision based on your child's actions.

- Alcohol, Tobacco use (Smoking or Vaping), and drug use is absolutely prohibited for ALL CYC singers.
- If your child exhibits any kind of self-destructive behavior, violates their safety or their safety within the group, he/she will be sent home immediately at your expense for his/her own safety and the safety of the rest of the group.
- All participants must stay with the group at all times and may not wander off.
- All participants must be respectful of the CYC Staff, Chaperones, Motor Coach Drivers and MCP Staff and Volunteers.
- All participants must stay in their assigned hotel room at night. They may not leave their hotel room to visit other CYC members or new friends after curfew.
- Visitors or group members of the opposite sex are not permitted to be alone in your child's room at any time. The CYC Staff will establish a curfew each night based on the next day's activities. Singers are expected to respect the nightly curfew for their own safety and security. Nightly room checks will be conducted by the chaperones and at the staff's discretion.

We are very excited to share this national stage opportunity with your child! Thank you for making it possible for your singer. If you have any questions or concerns, please feel free to contact Rachel Breeden, [rbreeden@cincinnati choir.org](mailto:rbreeden@cincinnati choir.org)

Dear MCP Participant,

This document details the current health and safety measures in place for your performance at Carnegie Hall. These policies can shift at any time, and we will keep you informed of any changes.

### Vaccine/Booster Requirement

Everyone coming to Carnegie Hall will be required to show proof of full vaccination. Individuals are deemed to be fully vaccinated 14 days after the second dose of a two-dose vaccine or after a single dose of a one-dose vaccine using a vaccine approved by the World Health Organization.

Effective April 12, 2022, **the booster is no longer required** for audience members or stage participants. It is highly encouraged but not necessary for entrance.

### Testing

It is mandatory that all **singers, speakers, wind/brass players, and any other artist wishing to remove their mask onstage** must present proof of a negative COVID-19 PCR test taken no earlier than 72 hours prior to the event load-in time.

- MCP has made arrangements with LabQ Diagnostics to administer the tests at the Westin Times Square at no additional cost to participants. LabQ will share the test results with MCP and Carnegie Hall. Upon registration, each person will sign a release form giving LabQ permission to share their test results with MCP and Carnegie Hall.
  - Any person who tests positive will have a second test administered within 12 hours of the positive result. If the second PCR test result is negative, a third rapid PCR test will need to be taken 24 hours later to confirm the first test was a false positive.
- If a stage participant has tested positive within 90 days of your Carnegie Concert and can provide a doctor's note confirming the date of the positive test result or the test result itself, those individuals can be exempted from testing and boosting for that 90-day period.
  - The provided test result must be a lab-based PCR or antigen. We cannot accept photographs of tests self-administered at home.
  - Individuals who test positive for COVID-19 should quarantine for 5 days before returning to activity.
    - The date of the positive test result or the first date of onset of symptoms is Day 0. The individual can resume activity on Day 6 so long as they are asymptomatic or, any symptoms experienced are improving, and they are fever free for at least 24 hours without the use of medication.
  - The doctor's note or test result should be emailed to [mboland@mcp.us](mailto:mboland@mcp.us) with the name/date of your event in the subject line.

## Masking

Everyone on Carnegie Hall's premises— including artists, audience members, staff, and visitors— are required to wear a properly fitting mask over their nose and mouth. It is recommended that all persons wear a mask with two or three layers of material, such as a 3-ply medical/surgical mask.

- All persons must remain masked at all times while on premises.
- Any stage participant who has submitted a negative lab-based PCR test result taken within 72 hours of the event/activity can remove their mask while on stage. Mask-wearing must resume when these artists leave the stage.

MCP will have an assortment of disposable black masks (KN95, KF94, and 3-ply surgical) available during the festival. Please bring additional masks for use throughout your residency.
