BUILDING TOMORROW'S LEADERS, ONE VOICE AT A TIME

About the *Cincinnati Youth Choir*
Ensemble-in-Residence of the University of Cincinnati
College-Conservatory of Music Preparatory and Community Engagement

Does your child love to sing? We would like to invite them to be a part of our award-winning legacy! CYC is now accepting online vocal placement auditions for our 30th season making beautiful music together!

Your singer will receive professional instruction and participate in choirs that have received the 2018 Chorus America Education and Community Engagement Award, the 2016 Chorus America/ ASCAP Award, 2015 American Prize Award, Best of Cincinnati 2015 & 2017 award, and a gold medal at the 2012 World Choir Games in the category of Youth Choirs of Equal Voices, placing 1st in this category among US choirs.

Serving over 900 students each year, CYC is an educationally based choral program reaching the highest level of artistry. The learning environment is creative and explorative; enabling the young singers to enjoy lasting relationships with youth outside of their community, experience self-growth through musical insight and self-expression, and develop a lifelong involvement with music while enhancing all aspects of their lives. CYC is looking forward to singing together safely in-person this season. Members will tour New York City and perform at Carnegie Hall in June 2022! CYC regularly collaborates with the Cincinnati Symphony and Pops, May Festival, and in a variety of productions at CCM, and your singer can be a part of it all!

New singers can register online now for our 30th season! Singer assessment determines placement for your child within the CYC ensembles, and all singers are welcome regardless of their current skill set.

Why Sing with CYC?

Experience working with others toward a common goal

Excellent 21st century skills for youth leadership are developed in rehearsals. Important skills for success in life like commitment, self-discipline and creative problem solving, conflict resolution, time management, and accountability.

Social-Emotional Health

Participants benefit through experiences and develop creative expression, emotional management and positive relationships with other people. Social-emotional health includes self awareness, respect for diversity, self-esteem, and understanding one's own unique identity.

Community and Belonging

CYC is a welcoming place where individuals are valued and contribute to the whole. Positive relationships are formed and friendships gained in CYC last a lifetime.

Musical Skills

Vocal development, music literacy, critical listening skills, attention to details and striving for personal best.

We welcome all young singers to grow with us in our nationally recognized, award winning program of artistic expression and friendship.
